FUNCTIONS AT THE NATIONAL HOTEL

Celebrate your birthday, engagement, wedding reception or Christmas party at The National Hotel. Or why not hold a sundowner, corporate function or breakfast meeting in our first floor function room?

We can cater for sit down functions for up to 100 people, and stand up cocktail style events for up to 260. Smaller spaces are also available to suit more intimate parties, such as the High Street verandah which is perfect for a dinner for 40 guests or a cocktail party for 80. Fireplace Corner, another of our smaller spaces, is fabulous for a more relaxed party of 60 people.

Our first floor is equipped with a retractable big screen if you wish to make a presentation or display photos; a sound system which you can plug into for DJs, bands or Ipods; a microphone and lectern for speeches and a removable stage if you wish to give a presentation. We don't charge for room hire but we do have a minimum spend in some areas on a Friday and Saturday. Other areas don't have a minimum spend but require a deposit of \$10 per head in order to secure the booking. This deposit can then be used towards food and drink at your function.

At The National we understand the importance of making your event a memorable one. We will happily show you around the venue and discuss your requirements. We will work with you to custom design your menu, whilst catering to your guests' dietary needs and operating within your budget. Choose from one of our catering menus or let us create a special menu for you to compliment the theme of your party.
